

Eco-Air

Passive room air freshener

Designed to Perform

The modern design creates maximum surface area exposure and space for air flow to provide effective 30-day fragrance release.

Dry Fragrance Technology

Unlike gels and oils, dry fragrance refills won't break, spill or leak.

Versatile

Eco-Air refills fit a variety of other commercial dispenser brands and work great in restrooms, conference rooms, entryways, lobbies, trash rooms, and so much more.

Eco-friendly

No batteries needed and refills are 100% recyclable. They don't contain any propellants or acetone so there's no sticky residue.

Meets the "Purchase of Sustainable Cleaning Products and Materials" criteria under the LEED point management system.
