

Tapcon®

Concrete Screw Anchors

TAKE THE JOB TO THE
NEXT
— LEVEL —

NEW!

UNDERHEAD RIBS

Resist head snaps
and spinouts.

STAR RECESS

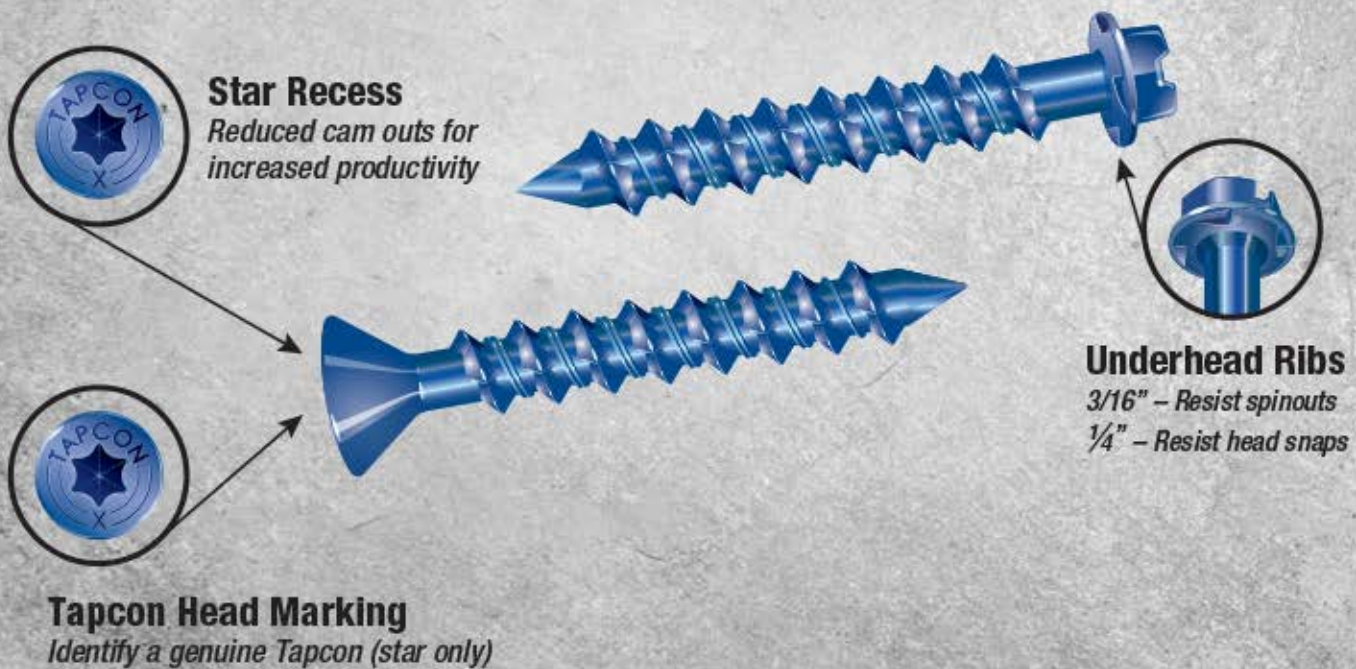

Eliminate bit slip.

**THE ORIGINAL,
TRUE BLUE
SCREW.**

THE NEW TAPCON® SCREW ANCHOR IS MORE RELIABLE THAN EVER, MINIMIZES REWORK AND HELPS YOU GET THE JOB DONE FASTER

No matter the substrate, tool or your experience level, Tapcon installs right the first time, every time. Experience superior performance, installation success and increased confidence with the new Tapcon Star Drive and slotted hex washer head with underhead ribs.

NO. 1 CHOICE OF PROFESSIONALS

Tapcon is the No. 1 recognized screw anchor brand in the industry. The blue, corrosion-resistant coating enables the screw anchors to withstand the harshest conditions. And their unmatched performance in concrete, block and brick applications make them an excellent alternative to expansion anchors, plugs and lag shields. When professionals look for quality, strength and ease of installation, their No. 1 choice is Tapcon.

COMMON APPLICATIONS

- Electrical equipment
- Furring strips
- 2x4 lumber
- Drywall track
- Wood frames/sill plates
- HVAC/ductwork
- Concrete forms

FEATURES

BENEFITS

Star recess	<ul style="list-style-type: none"> • Increase productivity with fewer cam outs
Underhead ribs	<ul style="list-style-type: none"> • Resist spinouts • Resist head snaps
Advanced threadform technology	<ul style="list-style-type: none"> • Lower installation torque • Less fatigue
Long-life Climaseal™ coating	<ul style="list-style-type: none"> • 720 hours corrosion resistance • Long-lasting quality
