PRODUCT DESCRIPTION

Perfect for illuminating wall displays and artwork, Clamp Mount Display Spot Lights offer a variety of low and line voltage styles and extensions perfect for trade shows, offices, homes, retail stores and arts and crafts fairs.

FEATURES

- Includes 2" clamp and 10' cord with plug-in transformer
- Comes with a 60W class II 120V to 12V electronic plug in transformer.
- 1W minimum load
- Accepts 12V LED MR16, Halogen MR16 lamps up to 50W max (not included)
- The framing projector option allows the fixture to be used to highlight artwork, posters, or signage without light spill onto any adjacent surfaces.
- Periscoping style arm can allow the head of the display light to be place up to an extra 10" back from surface and then locked in place with a simple twist and lock.

SPECIFICATIONS

Aiming: Yoke and swivel aiming feature allows a full range of vertical and horizontal orientation. Large locking screw assures the aiming angle is kept in place through continuous use and maintenance.

Materials: Fixture head and connector are aluminum. Periscoping arm is steel. Clamp is heavy duty polycarbonate. Bi-pin socket is ceramic with silver plated contacts.

Standards: UL and CUL Listed.
