IMPORTANT ORDERING & INSTALLATION INFORMATION

- Factory-installed tile flange on 1, 2 or 3 sides to facilitate installation. Must specify tile flange location(s) on order.
- 3.5" drain opening pre-drilled.
- Drain finish options on this sheet are upcharge prices only. Contact MTI for ordering details for drain kits sold separately.
- Compliant with ASTM C 1028-07 coefficient of friction test.
- Add proper wet-bedding compound to fully support bottom of shower base. Optional factory installed Pre-Leveled Foam Base negates the need to wet bed when installing on a flat, level subfloor. See installation instructions.

- Options and accessories may be packaged inside the tub crate. Always check packaging before discarding.
- All product measurements are $\pm 1/2"$.
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.

See the Installation & Operation Manual for more details.
