SEALING GUM SLUG

- Odorless
- Never Hardens
- Flexible to -20°F

A non-staining white sealer that can be formed into any shape by hand.

Easily form into any shape to seal out dust, water, and moisture from joints in a wide range of applications. Simply press into place for excellent adhesion to all types of clean, non-porous surfaces. Prime porous surfaces such as insulation board and wood with a coat of paint or varnish before use.

Non-poisonous and non-irritating. Wash hands after use to remove any residue.
