## ACCURATE TEMPERATURE CONTROL MADE EASY

American Standard® Heating and Air Conditioning's full-featured programmable thermostats deliver precise temperature control every day of the week. The Silver 302/303 interactive touchscreen and Silver 202/203 models make it easy to set 7-day and 5-1-1 schedules—maximizing your comfort and helping you manage your energy consumption for lower heating and cooling bills.

## SIMPLE DESIGN PLUS RELIABILITY

American Standard's non-programmable Silver Series thermostats blend simple, user-friendly design with reliable performance. Convenient features include automatic changes from heating to cooling, filter change alerts, and built-in memory that retains your preferred settings after a power outage.

## AWARD-WINNING EXCELLENCE.

2021

### Top Tier Owner Satisfaction for Central Air Conditioning

"A National Product Testing and Research Magazine"

In a survey based on the proportion of members who are extremely likely to recommend their central air conditioning system to friends and family found American Standard Central Air Conditioning Systems' to be Top Tier in 2018 and 2020 Summer Surveys of 23,997 central air conditioning systems, owned by members who installed a new system between 2005-2020.

2019

### Top Tier Owner Satisfaction for Gas Furnaces

"A National Product Testing and Research Magazine"

In a 2018 Winter Survey & 2019 Summer Survey of 48,318 subscribers, American Standard gas furnaces rated Top Tier in Owner Satisfaction for new units purchased between 2003 & 2019.

### Top Tier Owner Satisfaction for Heat Pumps

"A National Product Testing and Research Magazine"

In a 2018 Winter Survey & 2019 Summer Survey of 12,463 subscribers, American Standard heat pumps rated Top Tier in Owner Satisfaction for new units purchased between 2003 & 2019.

\*Based on a statistical model that estimates problem rates for heating or cooling within the first 8 years of ownership, for heat pumps that are not covered by an extended warranty or service contract, American Standard heat pumps rated as Top Tier in a 2018 Winter Survey and 2019 Summer Survey of 12,463 heat pumps, owned by members who purchased a new heat pump [unit] between 2003 and 2019.

## WE OBSESS OVER IT SO YOU DON'T.

For over a hundred years, we've made some of the most awarded, well-engineered heating and conditioning equipment, and earned a reputation for doing things ...right. And through it all, we've followed a pretty simple idea: "A Higher Standard" isn't just how we build our products. It's how we build our relationships with the customers who depend on us every single day.

# A CLOSER LOOK

## PROGRAMMABLE

### Silver 302/303 Touchscreen Thermostats

These thermostats are easy to read in any light and intuitive to program your 7-day or 5-1-1 schedule. In addition to automatic switching between heating and cooling, they offer conveniences such as a real-time clock and service reminders for filters, humidifier pads, and UV lamps.

### Silver 202/203 Thermostats

With 5-day or 5-1-1 programmable schedules, these thermostats make it easy to customize your comfort for weekends and weekdays—and manage your energy usage, too.

## NON-PROGRAMMABLE

### Silver 401/402 Thermostats

Durable and reliable, these thermostats offer a large, easy-to-read 1.9" display with backlit keys, plus air filter reminders and automatic changeover between heating and cooling.

### Silver 200 Thermostat

It's simple to control your comfort with this thermostat's large numbers and backlit keys. Convenient functions include energy savings mode and automatic switching between heating and cooling.

**COMFORTABLE. RELIABLE. EFFICIENT.**

Optimize the comfort and efficiency of your home with the American Standard Home smart comfort system. The American Standard Home mobile app gives you remote access to your HVAC system through your connected American Standard smart thermostat. Adjust your temperature, set your schedule, and view your HVAC usage from anywhere.

**WHY IS INDOOR AIR QUALITY IMPORTANT?**

We spend 90% of our time indoors, and 70% of that is in our home<sup>2</sup> where the air can be up to 5X poorer quality than the air outside<sup>3</sup>. So, AccuClean<sup>®</sup> utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles<sup>4</sup> that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus<sup>6</sup>. This level of filtration makes it up to 100X more effective than a standard 1" filter<sup>5</sup>. Plus, it's the **ONLY** whole-home electronic air cleaner that is certified **asthma & allergy friendly**<sup>7</sup> by the Asthma & Allergy Foundation of America.

American Standard Home connects to your American Standard HVAC system to provide you with remote control and diagnostics. To view additional integrations and subscriptions, visit our Knowledge Base at [AmericanStandardAir.com/home-subscription](http://AmericanStandardAir.com/home-subscription).

<sup>2</sup> The National Human Activity Pattern Survey (2001)  
<sup>3</sup> U.S. Environmental Protection Agency. EPA/600/6-87/002a. (1987)  
<sup>4</sup> Based on 3<sup>rd</sup> party testing of particle removal efficiency down to 0.3 microns (2005)  
<sup>5</sup> Assuming <1% removal rate of 0.3 – 10 micron particles  
<sup>6</sup> As reported by airimid healthgroup in ASCR092142v2 (2015)

We are committed to using environmentally friendly printing practices.
