Material Number H015300, DWV Fitting Flush Bushing Ftg x C - Wrot, 901-2-F

The flush bushing features a male solder end and a solder cup. The fitting provides a means of reducing the size of a line. Please refer to NIBCO technical data sheets and catalogs for engineering and installation information. In addition to its inherent qualities of beauty, durability and low maintenance, copper's reusability makes it an ideal application in sustainable projects. NIBCO® copper fittings are manufactured in an ISO 9001 certified facility, and backed by a 50-year limited warranty.
