

# Protect Your Shoes with Tingley Work Rubber Overshoes

**Our natural rubber work overshoes allow you to work comfortably in the toughest conditions.**

## Natural Rubber Overshoes Easily Stretch Over Bulky Work Boots, Shoes & Sneakers

With a reinforced heel and toe, our work rubber overshoes are designed to stand up to tough daily wear. That's what made Tingley's overshoe the industry standard.

- Injection-molded, seamless construction for 100% waterproof protection.
- Excellent tensile strength gives stretch and tear resistance for durability, comfort and easy on and off.
- Will not crack or stiffen in the coldest weather.
- Deep cleated outsole spits out debris for slip resistance and longer wear.
- Heavy-duty heel kick for no hands removal.
- Sturdy molded-in rubber button on 10 Inch Height Work Boot (Item #1400) secures closure. No hardware to tear, snag or corrode.
- No lining for quick cleaning and decontamination.
- More material in heel, toe and sole gives longer life.
- Less material in the upper saves weight and reduces leg fatigue.

**Item #1300**  
Enlarged to fit over bulky work boots including steel toes

**Item #2300 and #1400**  
Classic Fit - More narrow to fit over work shoes and sneakers

### General Sizing Guidelines

Overshoe Size	Men's	Women's
Small	6½ - 8	8½ - 10
Medium	8 - 9½	10 - 11½
Large	9½ - 11	11½ - 13
X Large	11 - 12½	
2X Large	12½ - 14	
3X Large	14 - 15½	

**Recommend ordering up for split sizes**  
i.e. wear Men's 11 shoe, X Large overshoes preferred in most cases

**Ideal Applications:** Food Processing, Transportation, Utilities, Construction, General Industry, Municipalities and Agriculture.

**Chemical Resistance:** Acids, alcohols, bases and diluted water solutions of most chemicals that are water soluble. Not recommended for constant contact with petroleum and oil based products.

#4040 8/20
