Q I want to ask about the item ( GOJO 8565-02 Soap Foam ), Can I buy it without the liquid ( Question ) the container ) ? because this kind of liquid is not allowed to be shipped to my country (Kuwait). Moreover, I already have the foam soap dispenser ( 8520-01 ) and the quantity is 4 and

I need the containers for them without the liquid. So, is that possible? If yes, please reply to my question in order to make an order and where exactly to buy online these containers only.
