Z536-C PARKING DECK DRAIN

Parking Deck Drains are designed for economical installation in precast construction. Wide heavy-duty flange allows shallow core drilling or boxing out and maximum strength at load bearing surface. Heavy-duty non-tilt grate is standard and underdeck clamp (-C) is available to securely fasten drain body to deck from underside. For other available parking deck drains see Z533, Z534, Z535, and Z537.
