

AirWorks® Urinal Screen

Key Features

A clean smelling restroom plays a major role in the overall patron experience. A poorly maintained or malodorous restroom can cost you business. AirWorks Urinal screens offer an effective method of odor control between cleanings. What's more, they are a practical means of keeping urinal drains free and flowing, by acting as a barrier to prevent debris from entering the plumbing system.

SKU	AWUS006-BX
Brand	AirWorks®
Case Height (inches)	10.25
Case Length (inches)	17.25
Case Weight (lbs.)	8.40
Case Width (inches)	8.25
