

FIGURE 7950Z RESTRAINT

FNW

SURGE RESTRAINT

FEATURES

- Size Range - 3/4" through 2" figure 7010NZ, adjustable swivel ring hangers
- Material - Carbon Steel
- Finish - Zinc Plated

PRODUCT SPECIFICATIONS

Services

- Complies with NFPA® 13 standard by restricting the upward surge movement of activated fire sprinkler systems
- Grips the loop hanger, not the nut, allowing fine tuning for height adjustment
- Easily installs by hand before or after pipe is positioned in hanger

Approvals

- UL/ULC Listed
