## Material Number 9002100HPC, PCH600R - Reducing Coupling P x P - Wrot Copper

NIBCO press fittings are the fastest, easiest way to join copper tubing systems. NIBCO® PressG fittings are designed to join with seamless copper water tube in residential and commercial gas and compressed air systems. The press fittings can also be installed underground. NIBCO® PressG fittings are user friendly, quick and easy to install. When properly crimped a unique "N" witness mark is clearly visible. Please refer to NIBCO technical data sheets and catalogs for engineering and installation
