Description: When you need an affordable kitchen paper towel for your break room, the Scott® Kitchen Paper Towels are a smart choice. Each of the paper towel rolls (20 per case) features 128 perforated towels. While they are single-ply kitchen paper, they feature fast-drying Absorbency Pockets™ which soak up water fast, so users need fewer towels to dry their hands and wipe up spills. The Scott® kitchen roll fits easily into standard roll towel dispensers – such as a countertop towel holder or a roll holder for under kitchen cabinets. By giving your employees and break room visitors what they need to dry their hands after proper washing, you're helping them stay clean and healthy.
