## Product Overview & Guides

Pound for pound, WypAll® X60 Cloths absorb more than two times as much water as rags. They bring the absorbing power of HydroKnit technology (for superior absorbency) to a lighter-weight cloth. Designed to outperform laundered rags, WypAll® X60 Cloths help raise the standard for general-purpose cloths at a terrific value. They don't use adhesives or binders, so they'll leave no residue behind, and they're reinforced for strength when wet or dry. They can be used for applying thinners and solvents, in cable lubricant removal, adhesive cleaning and removing grease and soil in tight areas. These cleaning towels come in a pop-up box dispenser and are so sturdy that they can often be used more than once (once you've used them a few times, they're disposable). They're designed to reduce waste so you spend less. When effectiveness and value top your list of criteria, you can trust WypAll® X60 Reusable Wipes to deliver.

126 cloths / box, 10 boxes / case, 1260 cloths / case

WypAll® X60 Cloths are absorbent and reinforced to stay strong for cleaning performance in light duty tasks

Each white commercial paper towel measures 9.1" x 16.8" and dispenses one at a time from the box

These lightweight cloths contain no adhesives or binders, yet they hold together and don't leave residues behind

To create an effective general purpose industrial cloth, WypAll® combined proprietary HydroKnit fast absorbing technology with reinforced structure, so you get durability at a great value
