

SAFETY TUBS®

The Safety Tubs 52" x 30" Gelcoat walk-in bath provides a similar bathing experience to larger models but fits in smaller spaces and uses less water. The included tub extender allows this tub to retrofit in the same space as a standard bathtub. The full sized, contoured door with a low door threshold allows ease of entry and exit.

Fully equipped, the Entry Series offers all the latest in safety and comfort features bundled together at one low cost and backed by a lifetime warranty on the door seal, a 10 year warranty on the tub shell and a 5 year warranty on all other components.

Jet Massage

A soothing and invigorating water jet massage system, the Jet Massage features a single speed control. Customize premium back and leg muscle therapies with 6 different water jets. The Jet Massage is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Air Massage

Experience a soft and caressing all-over body massage powered by a single speed heated blower that releases thousands of air bubbles rising throughout the water from 21 different air jets. The automatic purge cycle helps keep the system running efficient and clean. The Air Massage is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Dual Massage System

Combines all of the features of the Soaker Tub, the Jet Massage Systems and the Air Massage for the ultimate therapeutic bathing experience.
