

Metal Anchoring Cable Kit With Padlock, for Smokers's Ceasefire® Cigarette Butt Receptacle - 268505

Product Images

Short Description

- Fits Original, Elite, and Personal Smoker's Ceasefire®
- Helps create extra stability in severe weather
- Provides extra security to prevent tampering

Description

The Anchoring Cable Kit with Padlock (model 268505) provides extra security for your Smoker's Ceasefire® ashtray, preventing people from opening it without permission and adding unwanted waste. It can also be

used to provide extra stability during severe weather, such as strong winds or storms.

This kit can be attached to your ashtray by tying one end of the 36 in (914 mm) wire rope around a railing or fence, then attaching the cable end and padlock to a tie-down notch at the base.
