Series 2110 Electroflo - Solenoid Valve

- 2-way Normally Closed
- Pilot-Operated
- Piston-Type
- Bronze Construction
- UL Listed
- Variety of Voltages
- Maximum Temperature 195°F
- Pressure Range 5 - 150 psi water
- Pressure Range 5 - 100 psi air
- Horizontal Installation

Special Features

Proven design.

Many years of field experience have made these valves the standard in the industry.

Wide range of operating pressures & temperatures.

5 psi to 150 psi pressure and temperatures to 195°F affords broad application and tremendous flexibility.

Highest quality.

Long life
