STEEL

Amped
CARBIDE TEETH

up to **100X**
Longer Life

MAXIMUM EFFICIENCY. LONGEST LIFE. EXTREME VERSATILITY.

AMP UP YOUR CUTTING PERFORMANCE

up to **100X Longer Life**

UP TO **100X LONGER LIFE**

Carbide teeth deliver the longest life in thick metals vs. standard bi-metal blades

1" OVERSIZED BLADE BODY

Provides stability & rigidity for straighter cuts with less vibration

ENHANCED TIP-TO-BLADE CONNECTION

For extreme impact resistance

BLACK I.C.E. COATING

Protects cutting edge by creating a slick, lubricant like action for a cool cutting edge and superior chip evacuation

TiCo HI-DENSITY CARBIDE

Diablo made carbide that delivers the greatest durability & cutting performance in thick metal applications

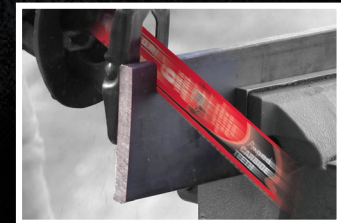

CAST IRON

HI-STRENGTH ALLOYS
