

DIABLO
STEEL DEMON™

Cuts The Chatter

IN THIN METAL CONDUIT
LESS THAN 1/8" THICK

Item #: DS0912CF

The Ultimate Cutting Solution in Thin Metal Conduit (less than 1/8")

up to **50x Longer Life**

TiCo™ HI-DENSITY CARBIDE

High performance Diablo made TiCo™ hi-density carbide for greater durability

CLEAN & ACCURATE CUTS

1" oversized blade body stabilizes the blade for less chatter, and clean & accurate cuts

NO REWORK REQUIRED

Optimized 12 TPI tooth geometry delivers superior quality finish cuts with virtually no rework required

PERMA-SHIELD® NON-STICK COATING

Resists heat build-up by protecting the blade against gummying & corrosion
