

Spilfyter Airlaid Wiper Kit Refills

Features:

- Re-Use your sanitizing wipe kit with this 6-pack refill of dry wiper rolls.
- Each coreless roll features 300 dry, Airlaid cellulose-based wipers (6 ¾" x 6") that pull from the center – perfect for feeding wipers through the sanitizing kit bucket lid.
- Using the refill wipers in your kit makes disinfecting and wiping as easy as 1 2 3. Just (1) load the dry wiper refill roll into your re-usable bucket; (2) pour your chosen cleaning solution over the roll of wipers; and (3) thread the first wiper through the lid and close. You're ready to go!
- Wipers easily absorb the cleaning solution while remaining durable to handle your daily cleaning needs.
- Not recommended for a bleach or alcohol-based solutions.
