

Features powerful scrubbing molecules to reduce up to 99.9% of many common types of airborne contaminants.

INTENDED USE

The activTek Pure & Clean+ Ozone combines multiple complementary technologies, including our powerful PCO-A (Photocatalytic Oxidation-Advanced) Technology, Activated Carbon, HEPA Filter Screen, and Ozone (O₃) to provide 24/7 air purification in indoor spaces up to 2,000 sq. ft.

SPECIFICATIONS

Product Information	00747 Model : A1041A DOES NOT meet California requirements and cannot be shipped to California or Canada
Technology Included	PCO-A (Photocatalytic Oxidation-Advanced) Technology – (1) 6" Cell Assembly Activated Carbon Filter HEPA Filter Screen Carbon Brushes Purification Plate (O ₃)
Electrical	Input Voltage: 100-240 Volts; 50/60 Hz Power: 43 Watts Max; External Power Supply: DC 24 Volts; 1.5 Amps.
Mechanical	Nominal Airflow Rate: 40–60 CFM Adjustable Fan Speed
Weight & Dimensions	7.6 lbs 11.8" H x 9.5" W x 10" D
Operating Temperature	34°F – 100°F
Sound Level	45 dB(A) on low; 55dB(A) on high
Purification Plate Output (High Mode)	> 2.0 ppm ozone (O ₃)
Coverage	Up to 2,000 sq. ft. with uniform air diffusion ¹
Warranty	Limited 3 year warranty Terms and conditions may apply

THE BENEFITS

- Provides 24/7 air purification in indoor spaces up to 2,000 sq. ft., while the unit is running
- Uses small concentrations of our powerful scrubbing molecules to purify the space around you
- Uses O₃ to help reduce VOC gases, smoke, and odors
- Multiple carbon brushes aid in the capture of contaminants
- Portable, lightweight device
- No installation - plug-and-play solution
- Easy to use and low maintenance
- An effective solution for your home or small business
- Perfect for single-room spaces

1. Recommended ceiling height to not exceed 10 ft. Solutions should be customized based upon a variety of factors including HVAC system capabilities and settings, air flows taking into account walls, air pressure, and doors, ambient air temperatures and humidities, variable occupant density, known VOC concentrations, and other layers of protection.
