Chrome Finish
- **YB0586BN – Towel Ring**
Brushed Nickel Finish
- **YB0586BG – Towel Ring**
Brushed Gold Finish
- **YB0586BL – Towel Ring**
Matte Black Finish

Materials:

Towel Ring is constructed of zinc and ceramic post with solid brass ring.

Dimensions:

Installation Instructions:

1. Position the assembled unit on the wall where desired.
2. Using a level, align the provided template and tape it to the wall.
3. Mark the desired hole locations through the template (such as tracing or poking holes).
4. Remove the mounting bracket from the body by loosening the setscrew.
5. Center mounting bracket within the base outline with **"UP" facing you**.
6. Attach the mounting bracket to the wall, using the wall anchors provided.
7. Mount the base on the corresponding mounting bracket. Check and make sure that the base screw hole is facing down. Assemble a set screw to the base. Use the hex wrench included in a hardware kit to tighten the set screw and secure the assembly to the mounting bracket.

If you are mounting any parts into a hard surface snap off the anti-rotation fins on the back of the mounting post.

Cleaning Instructions:

To preserve the fine finish of this product, clean only with a soft damp cloth. Dry well. Do not use commercial or abrasive cleaners.
