

# VECTOR FOG C20 ULV FOGGER

Introducing the all new Ultra Compact C20 ULV Cold Fogger. Powered by a 560 Watt super-efficient Samsung motor, this ultra-compact fogger is ideal for applications where less spray distance is required. Such as the home, food preparation areas, car valets and offices. In addition the power can be halved to 50%, reducing noise levels. Ideal for Hospitals, Nursing homes and Schools. This fogger features a 1.5 Litre tank, 15-30 LPH flow rate and a droplet of 5-30 microns in size.
