

Thermwell (Frost King) 5P12X Pipe Insulation Specification Sheet

Product Details:

- Model: 5P12X
- Brand: Frost King (Thermwell)
- Type: Tubular Pipe Insulation

Dimensions:

- Inside Diameter (ID): 1.125 in (1-1/8 in)
- Wall Thickness: 0.5 in
- Length: 3 ft per piece
- Pack: 4 pieces (total 12 ft)

Material:

- Closed-cell polyethylene foam

Color:

- Black

Pre-Slit:

- Yes (for easy installation)

Compliance:

- Meets 2019 IECC Code regulations

UPC:

- 077578065922

Features:

- Energy-saving insulation for hot or cold water pipes
- Helps prevent heat loss and condensation
- Lightweight and flexible
- Easy to install over pipes
- Resistant to mold and mildew
