

FCS 65 PRODUCT WARRANTY

March 1, 2020

Infinity Drain guarantees the workmanship of the waterproofing connection of the Schluter®-KERDI membrane to the Infinity Drain FCS 65 channel with Schluter®-KERDI-FIX as per Schluter's approved installation methodology, when the FCS 65 channel is installed in accordance to Infinity Drain installation instructions. The terms of this warranty are provided in the Infinity Drain Warranty policy.

All other aspects of the Schluter®-Shower System including, but not limited to, the bond of Schluter®-KERDI to Schluter®-KERDI, will be covered under standard Schluter® warranty policy in accordance with the Schluter®-Warranty program.

It is the responsibility of the owner, builder, and/or installer to ensure correct installation procedures are followed and the suitability of all associated building materials for the owner's intended use.
