PRODUCT OVERVIEW

[Print Product Overview](#)

Parker ZoomLock MAX refrigerant press fittings allow the contractor to successfully make leak-free connections with a press fitting system without the use of a brazing torch. ZoomLock MAX refrigerant press fittings reduce installation costs, is more repeatable than brazing, improves system cleanliness, and creates secure leak-free copper tube connections. To find a ZoomLock MAX distributor visit <https://discover.parker.com/ZoomLockMAXdistributors>.

Markets:

- Air Conditioning
