

### Features

- Handshower features contemporary design.
- Advanced spray engine provides three alternate experiences: wide coverage, intense drenching, and targeted spray.
- Wide coverage spray produces an encompassing spray for everyday use.
- Intense drenching spray delivers a forceful spray ideal for rinsing shampoo from hair.
- Targeted spray is a focused stream for targeting sore muscles or use as a utility spray.
- Thumb tab allows for a smooth transition between sprays.
- Spray nozzles cover full area of sprayhead.
- Combination of balance, weight, grip, and angle makes this handshower comfortable and easy to use.
- MasterClean™ sprayface features an easy-to-clean surface that withstands mineral buildup.
- 1.75 gpm (6.6 lpm) flow rate.
- 24" (609 mm) slidebar features adjustable mounting brackets for installation flexibility.

	BL	Matte Black
	2MB	Vibrant® Brushed Moderne Brass

### Technical Information

All product dimensions are nominal.

### Handshower:

Rated maximum flow: 1.75 gal/min (6.6 l/min)

### Notes

Install this product according to the installation instructions.

Plumbing codes require approved backflow prevention devices to be installed in-line to handshowers. Please consult with local plumbing officials.

Mount the slidebar to stud framing or install backing support. For tile or other solid finish surfaces: Pre-drill mounting holes through surface material only; do not drill into the stud. For drywall surface: No pre-drill is required.

NOTE: The mounting brackets can be adjusted to align with existing holes for retrofit installations.

OBC compliant when installed to the specific requirements of these regulations.
