SUBMITTAL SPECIFICATION

Reversible Bottom Dome Strainer/Basket

Engineering Specification: Oatey Reversible Bottom Dome Strainer/Basket fits in the bottom of floor sink drain to minimize splashing and capture debris that passes through the top of grate opening.

Job Reference

- Hemispherical shaped strainer/basket made of aluminum.
- Reversible to allow product to be used as a strainer or bucket.
- Large, free area prevents clogging of debris while maximizing flow.
- Handle allows for easy removal of buildup.

✓	Prod. No.	Description	Height (A)	Diameter (B)
	42754	2" Bottom Dome Strainer	1.7"	2.4"
	42755	3" Bottom Dome Strainer	2.3"	3.4"
	42756	4" Bottom Dome Strainer	3.0"	4.4"
