

Plastic Trap Primer Adapters

Product Features

- Material of construction: ABS or PVC
- Eliminates the need for a no hub tapped p-trap
- Cuts down on installation time
- One piece design with pre-installed LF brass compression fitting
- Can be rotated in 360 degree direction prior to cementing in order to accept water line from any direction
- cUPC / IAPMO listed
- Meets: ASTM D-2661 and ASTM D-2665

Application

- Serves as a trap seal primer connection under a floor drain or floor sink. Is available in 2", 3" or 4" and in ABS or PVC construction. Will cement inside of a 2", 3" or 4" p-trap
- Offered with either a 1/2" OD or a 5/8" OD LF brass compression adapter
