SCRUB FREE CHEMISTRY

- ▲ Delivers 5-minute hospital disinfection²
- ▲ Kills SARS-CoV-2 - the virus that causes COVID-19 - in 2 minutes²
- ▲ Effective against Norovirus, mold, mildew and fungi
- ▲ Formulated for daily use to remove hard water build up and soap scum
- ▲ Streak-free performance on hard surfaces, glass and chrome
- ▲ User-friendly formula deodorizes with a clean, fresh scent
- ▲ Requires no PPE at use dilution

² When used according to directions for use.
Refer to EPA master label under #1677-256

SCRUB FREE FOAMER IN ACTION

Full coverage foam improves user experience and delivers optimal cleaning results

After pumping, one 20 second push of foam dispensing will adequately cover the average shower

No spraying, reaching, spreading or scrubbing contributes to reduced risk of injury

Eliminate the 50-60 trigger pulls, followed by spreading, that are needed to adequately cover the average shower
