RECTANGULAR SENSOR TRASH CAN with AbsorbX® Odor Control

Eliminate exposure to the illness-causing bacteria that live on trash can surfaces with this rectangular sensor operated trash can. Enhanced infrared sensor technology allows for hands-free lid open and close, promoting a healthier environment. The odor filter compartment houses the easy to replace AbsorbX® odor filter to absorb and neutralize trash odors. An extra-large 11.8" opening easily accommodates large and bulky items.

It's perfect for high-traffic venues that require quick and easy disposal. It also features an enhanced lid hinge mechanism, air vent holes for effortless trash bag removal, and carry handle for easy mobility.
