

Model # HLSS03R

3 Gallon Stainless Steel

SOFT STEP TRASH CAN WITH PLASTIC LINER and AbsorbX® Odor Control

3 Gallon Stainless Steel Slim Soft Step Trash Can is the perfect waste receptacle for under the desk, patient room, restroom, and kitchen. The durable, easy to grip pedal offers a smooth, weight-resistant step while the air damper closes the lid silently and gently. The plastic inner bucket is easy to remove, for clean emptying. The odor filter compartment houses the easy to replace AbsorbX® odor filter to absorb and neutralize trash odors. The slim profile is space-efficient and versatile. The stainless steel finish is fingerprint-proof, smudge-resistant, and easy to clean.
