

# COLDWORK™ M-PACT®

## COLD WEATHER HAND PROTECTION

When the mercury drops, reach for our ColdWork™ M-Pact® gloves. Stay one step ahead of the cold with C40 3M™ Thinsulate™ Insulation and water-resistant SoftShell to keep the brisk air from sneaking in. When the going gets rough, we incorporated an anatomical Thermoplastic Rubber (TPR) exoskeleton that meets ANSI 138 Level 2 impact standard. The palm side features our tried and true synthetic leather infused with touchscreen technology, and dedicated D30® palm padding for comfort.
