The faceted shades of the Glace 36-Light Multi-Drop Pendant are made of panes of Raj mirror joined with seams of metal in a brass finish. The organic shape of the shades and the fact they hang at differing heights brings this mirrored pendant added personality that will make it a piece of jewelry in a space. The canopy of this piece is luminous in a painted silver finish. This fixture is among Currey & Company's multi-drop pendant collection, which includes multiple configurations.
