PLANZBOARD™

The KNAACK® PLANZBOARD™ is the first multi-functional, mobile planning station for all phases of construction. It easily transforms from a sturdy work table, to an angled drawing board or a vertical white board for meetings.

Combined with the KNAACK® CART ARMOUR™, it converts ordinary light duty carts into a secure mobile office that will increase your productivity. And it's a KNAACK®, built with heavy duty steel and locking hinges to withstand the demands on the jobsite.
