OPEN SNOOT ASSEMBLY

Figure 1408

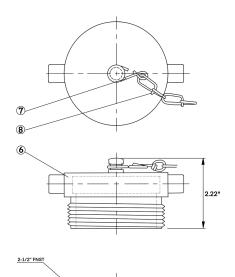

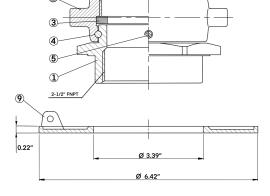

FEATURES & BENEFITS

- Open snoot assembly includes: 2-1/2" Female open snoot (NFP140802), 2-1/2" brass plug and chain (NFP120320), 2-1/2" brass FDC wall plate (NFP101608)
- Threads: 2-1/2" FNPT x FNST Swivel
- Material: Brass
- Finish: Rough brass

INSTALLATION

Apply thread sealant on male threads of pipe to which the snoot is being installed on. Tighten the snoot one full turn past hand tight to achieve a water tight seal. CAUTION: Do not over tighten. Over-tightening can cause cracks and possible valve failure.

MATERIAL CHART

NO.	DESCRIPTION	MATERIAL
1	Female Snoot Base	Brass C85700
2	Hose Coupling	Brass C85700
3	Gasket	Vulcanized Rubber
4	Ball Bearing	SS304
5	Screw	Brass
6	Plug	Brass C37700
7	Snap Ring	Brass
8	Chain	Brass
9	Wall Plate	Brass C85700
