

# OPEN SNOOT

Figure 1408

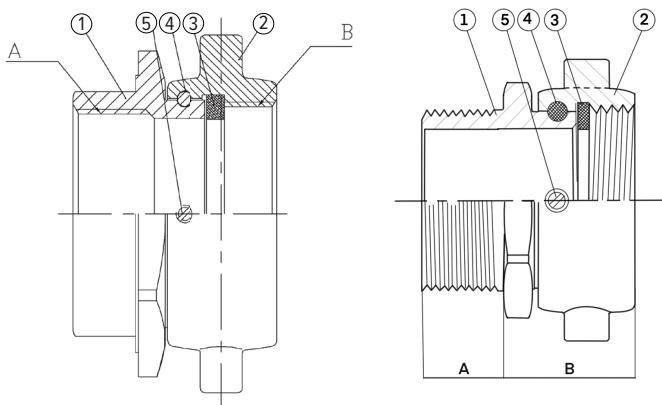

NFP1408

## FEATURES & BENEFITS

- Size: 2-1/2"
- Material: Brass
- Used to connect fire hose to standpipe or sprinkler system
- Pin lug style swivel

## INSTALLATION

Check for unwanted debris before installation. Apply pipe sealant to the male threads the snoot will be attached to. Tighten one turn past hand tight to achieve a full seal. CAUTION: Over-tightening may cause cracking of snoot body or thread failure.

## MATERIAL CHART

NO.	DESCRIPTION	MATERIAL
1	Open Snoot Base	Brass C85700
2	Hose Coupling	Brass C85700
3	Gasket	Vulcanized Rubber
4	Ball Bearing	SS304
5	Screw	Brass

## DIMENSION (INCHES)

PART #	FINISH	SIZE	A	B (SWIVEL)
NFP140802	Rough Brass	2-1/2"	FNPT	FNST
NFP140803	Polished Chrome	2-1/2"	FNPT	FNST
NFP140804	Rough Brass	2-1/2"	MNPT	FNST

\*Not for use in potable systems
