

ARROW-BREAKER™

Hose Bib, Silcock & Frost Proof Hydrants with Integrated (Built-In) Vacuum Breaker

Model 265

Model 465

Model 262

Champion-Arrowhead's complete line of Arrow-Breaker™ Hose Bibs and Frost Proof Hydrants come with Integrated (Built-In) Vacuum Breakers. The first of its kind. An integral unit, the All-In-One Arrow-Breaker™ eliminates the need for an ugly "thread-on" vacuum breaker and the associated flow-loss. The Arrow-Breaker™ is IAPMO listed and in compliance with ASSE standards.

FROST PROOF HYDRANT FEATURES:

- All-In-One Hydrant and Vacuum Breaker
- Thread-On Vacuum Breaker **NOT REQUIRED**
- Bright Orange ID Tag for Easy Identification by Inspectors (Removal Only by End User)
- Frost-Proof Anti-Siphon Protection
- If Backflow Occurs, Contaminated Water Evacuates Out the Weep Hole
- No Noise During Operation
- Large Flange for Easy Installation
- No Leak O-Ring Bonnet (No Packing Nut to Tighten, No More Leaks!)
- Eliminates Damaging Water Hammer
- Comfortable Rubberized Coated Handle
- Available with NPT Threaded, Copper Sweat, PEX and SharkBite® Connections
- Made in USA, Patented
- ASSE 1019 & IAPMO Approved
- Replaces Arrowhead 420 Series

SILCOCK & HOSE BIB FEATURES:

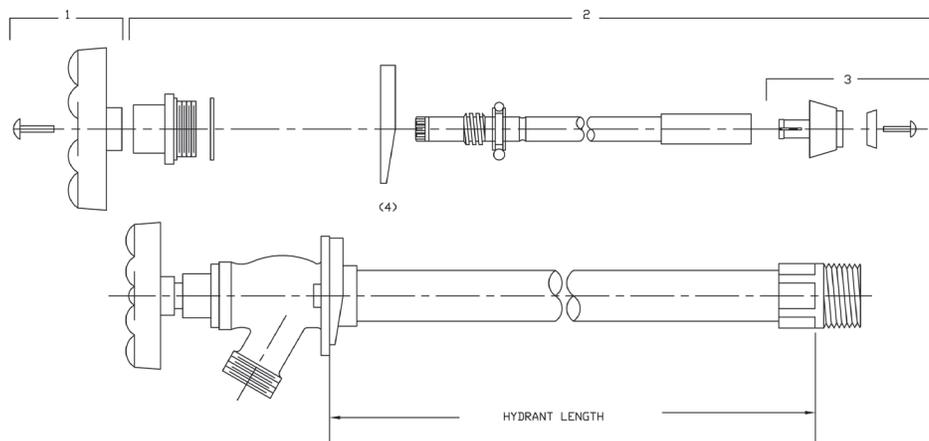

- All-In-One Bib and Vacuum Breaker
- Thread-On Vacuum Breaker **NOT REQUIRED**
- Bright Orange ID Tag for Easy Identification by Inspectors (Removal Only By End User)
- If Backflow Occurs, Contaminated Water Evacuates out the Weep Hole
- Twice the Flow of a Hose Bibb Equipped with a "Thread-On" Vacuum Breaker
- More Flow than a Standard Hose Bibb (15 GPM @ 50 PSI)
- No Noise During Operation
- No Leak O-Ring Bonnet (No More Packing Nut, No More Leaks)
- Spring Loaded Check Valve
- ASSE 1011 & IAPMO Approved
- Patent Pending
- Made in USA
