### VENTILATED, FLEXIBLE TEMPLES

### FEATURES

**All-Day Comfort:** Designed with lightweight, half frames to provide a comfortable fit and clear vision

**Enhanced Field of Vision:** Panoramic polycarbonate, wraparound lens offers an extended field of vision crucial for safety in busy work environments, while also providing UV protection for comprehensive eye safety

**Comfort Grip Fit:** Rubber nose piece and temple tips, paired with ventilated straight back temples, provide a secure fit and enhanced breathability for prolonged wear

**Secure Strap:** Black lanyard cord prevents loss or damage in busy work environments

**Anti-Fog Clarity (Select Models):** Anti-fog lenses ensure clear vision in all conditions

**Built Tough:** Meets ANSI/ISEA Z87.1-2020 and certified to CAN/CSA Z94.3-20 standard for eye and face protection devices
