Technical Information

All product dimensions are nominal.

Power source: Plug - AC, included

Valve body: Plastic

Electrical component Thermostatic valve: 110/220 V rating:

Notes

Install this product according to the installation instructions.

This faucet should not be installed in a location where there is a vaulted ceiling.

The rough-in box must be installed in line with the ceiling joists. Angular installation can damage the structural integrity of the ceiling joists.

Access must be provided for supply stops and electrical outlet.

The ceiling must be level.
