

Warranty and Shelf Life Statement

PLZ Aeroscience Corporation warrants to buyer that the PLZ manufactured products will (a) be free from defects in materials and workmanship for a period of two years from the date of manufacture, and (b) materially conform to the agreed upon specifications.

We estimate that products that are formulated and developed by PLZ and are stored properly, will have a shelf life of at least three years from the date of manufacture. Shelf life policies for customer or third-party supplied formulations should be established by the customer.
