

Cleaning and Care

With proper care, your vessel will last for generations.

GENERAL CARE

- Wash with soap, water and a soft cloth or sponge.
- We recommended the following soaps: Dawn Ultra, Ultra Ivory Dish Liquid and Palmolive Original do not use lemon, lime or orange scents.
- Wipe off the surface to remove standing water.
- For extra protection use a high quality carnauba wax (with no polishing agent), like Flitz wax.
- **NEVER USE** anything abrasive like: Soft Scrub, Steel Wool, Chore Girl, etc.
- **NEVER USE** the following products: Brasso, Clorox, Drano or Similar Products.

FINISH SPECIFIC CARE GUIDE

LIFETIME FINISH	LIVING FINISH	
<p>WHAT IS A LIFETIME FINISH?</p> <p>These are lifetime finishes and come with a protective coating they will not patina.</p>	<p>WHAT IS A LIVING FINISH OR PATINA?</p> <p>The beauty of copper and brass is its living finish or patina. It builds over time and works as a protective coating. The patina is a rich weathered finish with light and dark tones complementing each other and creating the unique effect of copper.</p>
