

# LED FIXTURE

## SPECIFICATIONS

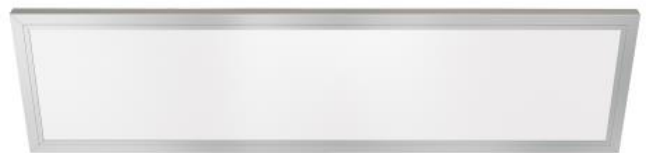

Feit Electric FP1X4/6WY/NK Selectable White LED fixtures make it easy to optimize the lighting of any room without the need for any special smart home hardware or apps. The patented selectable color temperature feature allows users to choose Bright White, Neutral White, Cool White, Daylight White, or Daylight Deluxe White (3000K/3500K/4000K/5000K/6500K) on the fixture or to adjust after installation by toggling a wall switch. The ultra-slim, low-profile design features innovative edge-lit LEDs that create uniform light distribution without hot spots, flicker, or glare. The nickel-finished fixture can be mounted as a ceiling flush mount in living rooms, kitchens, laundry rooms, basements, or in retail spaces. Bright 4000-lumen LED lighting is integrated with each of the fixtures, offering up to 50,000 hours/45.7 years of life in only 50 watts of electricity, saving in energy consumption compared with similar incandescent light fixtures. The estimated annual energy cost is only \$6.02/year.

### Features
