

LED FIXTURE

SPECIFICATIONS

The Feit Electric Round Flat Panel Edge-lit fixture with five selectable color temperatures (3000K/3500K/4000K/5000K/6500K) provides added function and beauty to any residential or commercial area. Its ultra-slim, low-profile design (less than 1 in.) is perfect for any low ceiling area and the no glare, edge-lit LEDs are integrated so there are no bulbs to replace. Get the right light in any room by pre-selecting a color temperature setting or adjusting with a standard light switch. The versatile 74212/6WY turns on instantly to full brightness and is fully dimmable, giving you the ability to adjust the light to suit any scenario from relaxing with a cozy, warm light to focusing on important tasks with energizing, cooler light. Its frosted acrylic lens and white frame add modern style to any area. Feit Electric ceiling fixtures and wall sconces are energy efficient, produce even light distribution of 1650 lumens, and have an average life of 50,000 hours / 45.7 years delivering Energy Star® approved reliable lighting.

15 in. 22.5W

74212/6WY
