Decora LED Illuminated Rocker Single-Pole Switch

15 Amp, 120/277 Volt, Decora LED Illuminated Rocker Single-Pole AC Quiet Switch, Residential Grade, Grounding - White

- **PERFORMANCE** – Designed to work with LED, CFL and incandescent loads, no neutral required
- **SAFE** – Switch remains illuminated in the OFF position, so it is easy to locate in a dark room
- **MODERN** – White LED light inside the switch provides a refreshed and modern appearance
- **CONVENIENT** – Replaces any standard single-pole switch; controls light(s) from one location

Technical Information

Product Features

Amperage : 15 A

Color : White

Device Type : Rocker Switch

Feature : Illuminated

Grade : Residential

Grounding : Grounding

HP Rating : 1/2HP-120V 2HP-240V-277V

Illumination Color : White

LED Color Temperature : 6000K

Max. Amperage : 12 Amp

Pole : 1

Voltage : 120/277 VAC

Material Specifications

Actuator Material : Thermoplastic

Body Material : Thermoplastic

Strap Material : Steel

Mechanical Specifications

Terminal Accom. : Back & Side Wire #14-#12 AWG; Quickwire #14 AWG Solid copper wire only

Termination : Side Wire, Back Wire, Quickwire Push-In

Torque Range : 14 – 18 in.-lbs

Type : LED Illuminated Switch

Standards and Certifications

NOM : NOM

UL Standard : cULus

Warranty

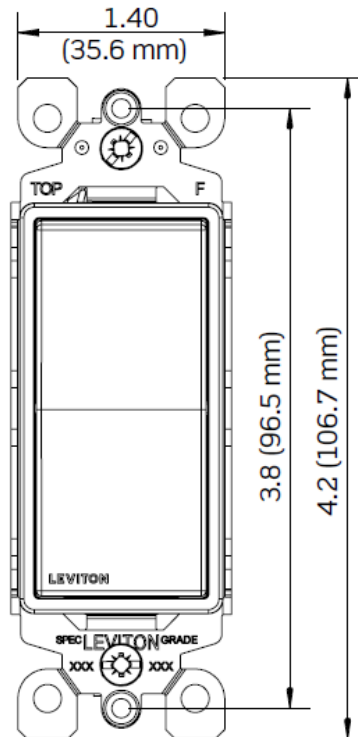

Warranty : 2-Year Limited

Features and Benefits

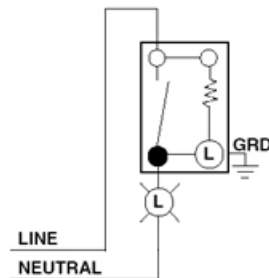

- Designed to work with LED, CFL and incandescent bulbs, no neutral required
- Switch remains illuminated in the OFF position, so it is easy to locate in a dark room
- White LED light inside the switch provides a refreshed and modern appearance
- Replaces any standard switch
- Decora model compatible with Decora wallplates and Decora Plus™ screwless wallplates, wallplates sold separately
- Features Quickwire push-in, Back and Side wiring for easy installation
- Quickwire push-in terminals accept #14 AWG solid copper wire only
- Back and side wire terminal screws accept up to #12 AWG copper or copper clad

wire

- Complements every décor
- Ideal solution for bathrooms, bedrooms, hallways, staircases, basements, laundry/utility rooms and garages.
- Limited 2-year warranty
- **CAUTION:** To clean use a damp cloth with mild soap. DO NOT use disinfecting products, including foggers, sprays, or other types of atomized cleaning agents
- **NOTE:** In Canada, a general-use switch does not require attachment to a grounding/bonding wire when installed in a grounded/bonded flush device box
