

ProWorks® CATCH® Nitrile Disposable Gloves With Pyramid Grip® Texture, IND, PF, Orange, 9 mil

Key Features

ProWorks® Catch® Orange Nitrile Powder Free Disposable Gloves possess a heavy Pyramid Grip® textured surface that provides an impeccable grip. The vibrant orange color increases visibility at the work place and enhances safety. Catch nitrile gloves are favored by aviation, mechanic, marine, plumbing and manufacturing industries because of their incredibly strong grip and vivid bright color.

The extra thickness makes these gloves more durable when working on “rougher” jobs while keeping hands safe and protected against harsh chemicals, solvents and paints.
